Welcome to the Diamond Creek Rotary Town Fair 2011

On Saturday 10th September 2011, we celebrate the

The theme for this year's fair is:

‘Diamond Creek – a little bit Country.’

The town fair is coordinated by the Rotary Club of Diamond Creek. The main purpose of the fair is to provide an event for the benefit and enjoyment of the local community including families, friends and businesses. It is also a valuable opportunity for community groups, such as schools, churches, sporting clubs to fund raise and to promote their activities. Last year more than 30,000 people attended the fair, and this year the fair will be even bigger and better.

All your favourite activities will be there: Carnival rides, lots of free entertainment and activities, craft stalls, novelties, food stalls, free demonstrations and displays, and much more.

This year our evening entertainment will include the CFA Torch Light Parade, entertainment on the main stage and our stunning fireworks to complete the night.

Please find attached application forms for this year's Town Fair. All forms attached and much more information is also available on our website www.diamondcreektownfair.org.au. The website is a working document and is continually being updated as information comes to hand.

If you would like to participate in this year's Diamond Creek Rotary Town Fair, please send an application or call us today to discuss your requirements for equipment and space.

We look forward to your involvement in a great local event!

Yours sincerely
